## THE DUKE STORY

If you've ever wondered why we're able to sit comfortably in our homes without the threat of our babes being abducted out from under us, the answer can be summed up in two words: Duke Nukem. When the aliens first appeared, they tried to take over our planet. They tried to colonize us. They tried to steal our chicks. And they almost succeeded.

Rising from the ashes of a war-torn earth, Duke single-handedly vanquished the invaders not once, but three times. Proving himself to be the ultimate alien ass-kicker, Duke was catapulted into fame. Now semi-retired and running his own casino in Las Vegas, Nevada, Duke is enjoying the good life. Between dating pop-superstar-divas the Holsom Twins and making celebrity appearances, Duke has stayed in shape because he knows that one day, the aliens will return.

That day is today.

A new, vast alien mothership has appeared in the sky, hovering ominously over Las Vegas. This time, the aliens have come flying under a banner of peace. But Duke isn't buying it.

And neither should you.

# SINGLE PLAYER CAMPAIGN

## HUD

On the Main Menu, select Campaign.

On the Campaign Menu, select New Campaign, then set the difficulty level to Piece of Cake, Let's Rock or Come Get Some.

Once you've played the game, the Campaign Menu offers these options:

Continue Campaign

Continue playing from your last saved Checkpoint.

Chapter Select Menu

Once you've completed Campaign Chapters, you can select and replay any of them from here.

EGO Bar

Duke begins with full Ego. Ego diminishes as Duke takes damage. A flashing red Ego Bar indicates that Duke's condition is critical and he is close to death. Duke will die if he continues to take damage when the Ego Bar is flashing, and the game will restart from the last Checkpoint. Recharge Ego by taking cover for several seconds.

Boss Meter

Rounds Remaining

Remaining Boss health. Appears for Boss fights only.

Total rounds of ammo remaining in Duke's current weapon. Ammo automatically reloads at zero rounds. Press **X** or the **R** key to reload earth-based weapons manually.

Trip Mines

Pipe Bombs

Attack Alert

Trip Mines remaining.

Pipe Bombs remaining.

Reticle

A red flash occurs when Duke takes damage. It appears from the direction of the attack.

Use this to aim the current weapon. The Reticle turns red when over an enemy and green when Duke aims at a friendly target.

## HUD (cont'd)

Gauge

This general Gauge appears when Duke needs to manage an item or resource, whether it's his own oxygen underwater or the temperature on a turret gun.

Special Items

Shows special items in inventory, including Duke Vision, Holoduke, Beer and Steroids.

## EGO

Men and superheroes may have health, but Duke is all Ego. Duke begins with a healthy amount of Ego, and it can be increased even further by performing cool actions within the world.

Whenever Duke gains Ego, the value will appear next to his Ego Bar, and the bar will grow.

Each Campaign Chapter contains a number of Ego items. You can view the total number of Ego items in each chapter and the number already found by viewing completed chapters in the Chapter Select Menu.

## WEAPONS

Duke is able to master any weapon he encounters. Find weapons in the world or rip them from the cold, dead hands of fallen enemies.

**Note:** Shrunk Duke delivers 15% damage with weapons and melee attacks.

### M1911 Pistol

1911 was a great year for pistols, and this little honey has remained almost unchanged for 100 years. Duke's custom version is styled with gold-plating and a laser sight, proving Duke doesn't always need heavy hardware to kick ass.

### Shotgun

A powerful short-range weapon and an ideal solution to a plague of Pigcops. Pull trigger. Make bacon.

## Ripper

Duke's classic triple-barreled machine gun has become the standard field weapon for mowing down enemies in rapid succession.

## Trip Mine

Trip Mines auto-attach to almost any surface (including enemy bodies), and arm on landing. Be careful not to trip your own mine or your guts will end up on the wall.

## Pipe Bomb

Lob a Pipe Bomb, then detonate it at your leisure. Even though Duke's detonator is built into his truck remote, he's smart enough not to blow a load in his pants. Be careful you're smart enough to do the same; put some distance between yourself and the bomb.

## Devastator

Why settle for one rocket-launcher when you can have two? This mean SOB can turn any room full of squishy fleshbags into a room full of chunky kibbles.

# GEAR / PICKUPS

## Duke Vision

Navigate dark environments by turning on Duke Vision. Duke never gropes aimlessly in the dark...

## Holoduke

Distract enemies with this hologram, then line them up and mow them down.

## Beer

Chug a Beer to temporarily reduce damage taken. Beer goggles included!

## Steroids

Take Steroids to gain a temporary boost to strength and speed. Go old-school and one-shot sucker punch enemies. Duke's Ego takes a 25% penalty while under the influence. Consequences and all that.

## EDF

Occasionally, civilians and the Earth Defense Force (EDF) will offer to give Duke assistance. EDF soldiers are the new federal police force tasked with defending the earth against alien invasion. Duke needs no sidekicks, but they can be useful every now and again.

## ENEMIES

### Assault Trooper

Common Cycloid infantrymen. A few punches in the face usually puts them in their place, though they can be a real pain when they wear the jetpacks their mammas packed for them.

### Pigcop

The original Pigcops were created from the transformed bodies of earth's policemen. The newest breed of Pigcops are created from EDF soldiers, and they're tougher and meaner than ever. They can wield a number of weapons, including anything the EDF can use, so be prepared.

### Octabrain

These disgusting-tentacle monsters are the special ops team of the Cycloid Emperor's army. Grown from the bellies of impregnated earth-chicks and imbued with telekinetic powers, they're best put out of their misery quickly.

## Enforcer

This guy is a huge mutated lizard with heavy armor, a shield like a manhole cover, and a really, really big gun.

## Bosses

To win the war, Duke has to kill every alien he sees, even the ones built like a house. The big Bosses have their health displayed on the HUD just below Duke's Ego Bar, and can only be damaged by heavy turrets or explosive weapons. Once their health is depleted and they're vulnerable, you'll have to finish them by getting close and ripping pieces off or punching them in the squishy bits.

To see available Challenges, select **Player Progression** from the Multiplayer Menu. You can also select **Challenges** from the Multiplayer Pause Menu. Pick a Challenge to see what's required, the XP awarded, and any additional rewards. Completed Challenges display a checkmark and are highlighted in white.

# MULTIPLAYER GAME MODES

## Duke Match

It's every Duke for himself! Win the 2-8 player match by scoring the highest number of kills. One point is awarded for every kill. Match winner is determined by who reaches a kill threshold first or who has the most kills when time runs out. The kill threshold can be set to No Limit or to a threshold from 10 to 100 kills (in 10-kill increments). The time limit can be a 10, 15, or 20 minute game. In the event of a tie, Overtime kicks in for 1 minute and the player with the highest kills at the end wins.

## Team Duke Match

It's Team Red vs Team Blue with up to 4 players per team. Rules and winning conditions are the same as in Duke Match. Score 1 point for your team with every kill.

## Capture the Babe

Help your team infiltrate the other team's base to snatch their babe. Toss her over your shoulder and make your way back to your own camp. If she gets too excited while being carried and puts her hand over your face, administer a swat to her rump.

Every babe capture is worth 1 point. The winner is determined by which team has the highest score when the time limit ends or which team reaches the score threshold first.

Score threshold can be set to No Limit or to a number from 5 to 15 points. Time limit for a match can be set to 10, 15, or 20 minutes.

## Hail to the King

What's yours is mine, and what's mine is mine. Teams of up to 4 players fight to secure and hold control points in the map. A control point position can be secured by eliminating all enemies within its boundaries and simply standing inside of it. One point is awarded for every second a control point is held.

Only one control point is active at a time, but the control point position will frequently move. When a control point is about to move, a prompt appears on the HUD. A directional icon will indicate the point's new position.

Control the most points for the longest time to score points and win the match. The winner is determined by which team has the highest score when the time limit ends or which team reaches the score threshold first.

Score threshold can be set to No Limit or to a number from 50 to 250 points (in 50 point increments). Time limit for a match can be set to 10, 15, or 20 minutes.

# MULTIPLAYER PICKUPS

## Steroids

THIS SOFTWARE IS LICENSED, NOT SOLD, BY INSTALLING, COPYING OR OTHERWISE USING THIS SOFTWARE (DEFINED BELOW). YOU AGREE TO BE BOUND BY THE TERMS OF THIS LIMITED SOFTWARE WARRANTY AND LICENSE AGREEMENT (THE "AGREEMENT") AND THE TERMS SET FORTH BELOW. THE "SOFTWARE" INCLUDES ALL SOFTWARE INCLUDED WITH THIS AGREEMENT, THE ACCOMPANYING MANUAL(S), PACKAGING AND OTHER WRITTEN, FILES, ELECTRONIC OR ON-LINE MATERIALS OR DOCUMENTATION, AND ANY AND ALL COPIES OF SUCH SOFTWARE AND ITS MATERIALS. BY OPENING THE SOFTWARE, INSTALLING, AND/OR USING THE SOFTWARE AND ANY OTHER MATERIALS INCLUDED WITH THE SOFTWARE, YOU HEREBY ACCEPT THE TERMS OF THIS AGREEMENT WITH TAKE-TWO INTERACTIVE SOFTWARE, INC. ("LICENSOR"). IF YOU DO NOT AGREE TO THE TERMS OF THIS AGREEMENT, YOU ARE NOT PERMITTED TO INSTALL, COPY OR USE THE SOFTWARE.

### I. LICENSE

LICENSE. Subject to this Agreement and its terms and conditions, Licensor hereby grants you the nonexclusive, non-transferable, limited right and license to use one copy of the Software for your personal non-commercial use for gameplay on a single computer or gaming unit, unless otherwise specified in the Software documentation. Your acquired rights are subject to your compliance with this Agreement. The term of your license under this Agreement shall commence on the date that you install or otherwise use the Software and ends on the earlier date of either your disposal of the Software or Licensor's termination of this Agreement. Your license terminates immediately if you attempt to circumvent any technical protection measures used in connection with the Software. The Software is being licensed to you and you hereby acknowledge that no title or ownership in the Software is being transferred or assigned and this Agreement should not be construed as a sale of any rights in the Software. All rights not specifically granted under this Agreement are reserved by Licensor and, as applicable, its licensors.

Licensor retains all right, title and interest to the Software, including, but not limited to, all copyrights, trademarks, trade secrets, trade names, proprietary rights, patents, titles, computer codes, audiovisual effects, themes, characters, character names, stories, dialog, settings, artwork, sounds effects, musical works, and moral rights. The Software is protected by United States copyright and trademark law and applicable laws and treaties throughout the world. The Software may not be copied, reproduced or distributed in any manner or medium, in whole or in part, without prior written consent from Licensor. Any persons copying, reproducing or distributing all or any portion of the Software in any manner or medium, will be willfully violating the copyright laws and may be subject to civil and criminal penalties in the US or their local country. Be advised that US Copyright violations are subject to statutory penalties of up to \$150,000 per violation. The Software contains certain licensed materials and Licensor's licensors may also protect their rights in the event of any violation of this Agreement. All rights not expressly granted to you herein are reserved by the Licensor.

- Copy the Software onto a hard drive or other storage device in order to bypass the requirement to run the Software from the included CD-ROM or DVD-ROM (this prohibition does not apply to copies in whole or in part that may be made by the Software itself during installation in order to run more efficiently);
- Use or copy the Software at a computer gaming center or any other location-based site; provided, that Licensor may offer you a separate site license agreement to make the Software available for commercial use;

ACCESS TO SPECIAL FEATURES AND/OR SERVICES, INCLUDING DIGITAL COPIES. Software download, redemption of a unique serial code, registration of the Software, membership in a third-party services and/or membership in a Licensor service (including acceptance of related terms and policies), may be required to access digital copies of the Software or certain un-lockable, downloadable, online or other special content, services, and/or functions (collectively, the "Special Features"). Access to Special Features is limited to a single user account per serial code and access to Special Features cannot be transferred, sold, or re-registered by another user unless otherwise specified. The provisions of this paragraph supersede any other term in this Agreement.

TRANSFER OF PRE-RECORDED COPIES. You may transfer the entire physical copy of pre-recorded Software and accompanying documentation on a permanent basis to another person as long as you retain no copies (including archival or backup copies) of the Software, accompanying documentation, or any portion or component of the Software or accompanying documentation, and the recipient agrees to the terms of this Agreement. Special Features, including content otherwise unavailable without a single-use serial code, are not transferable to another person under any circumstances and Special Features may cease functioning if the original installation copy of the software is deleted or the pre-recorded copy is unavailable to the user. The Software is intended for private use only. NOTWITHSTANDING THE FOREGOING, YOU MAY NOT TRANSFER ANY PRE-RELEASE COPIES OF THE SOFTWARE.

TECHNICAL PROTECTIONS. The Software may include measures to control access to the Software, control access to certain features or content, prevent unauthorized copies, or otherwise attempt to prevent anyone from exceeding the limited rights and licenses granted under this Agreement. If the Software permits access to Special Features, only one copy of the Software may access those features at one time. Additional terms and registration may be required to access online services and to download Software updates and patches. Only Software subject to a valid license can be used to access online services, including downloading updates and patches. You may not interfere with such access control measures or attempt to disable or circumvent such security features. If you disable or otherwise tamper with the technical protection measures, the Software will not function properly.

USER CREATED CONTENT. The Software may allow you to create content, including but not limited to a gameplay map, a scenario, screenshot of a car design or a video of your game play. In exchange for use of the Software, and to the extent that your contributions through use of the Software give rise to any copyright interest, you hereby grant Licensor an exclusive, perpetual, irrevocable, fully transferable and sub-licensable worldwide right and license to use your contributions in any way and for any purpose in connection with the Software and related goods and services, including the rights to reproduce, copy, adapt, modify, perform, display, publish, broadcast, transmit, or otherwise communicate to the public by any means whether now known or unknown and distribute your contributions without any further notice or compensation to you of any kind for the whole duration of protection granted to intellectual property rights by applicable laws and international conventions. You hereby waive any moral rights of paternity, publication, reputation, or attribution with respect to Licensor's and other players' use and enjoyment of such assets in connection with the Software and related goods and services under applicable law. This license grant to Licensor, and the above waiver of any applicable moral rights, survives any termination of this License.

INTERNET CONNECTION. The Software may require an internet connection to access internet-based features, authenticate the Software, or perform other functions. In order for certain features of the Software to operate properly, you may be required to have and maintain (a) an adequate internet connection and/or (b) a valid and active account with an online service as set forth in the Software documentation, including but not limited to third-party gaming platform, Licensor or a Licensor affiliate. If you do not maintain such accounts, then certain features of the Software may not operate or may cease to function properly, either in whole or in part.

## II. INFORMATION COLLECTION & USAGE.

By installing and using this software, you consent to these information collection and usage terms, including (where applicable) transfer of data to Licensor and affiliated companies into a country outside of the European Union and the European Economic Area. If you connect to the Internet when using the Software, either through a gaming platform network, or any other method, Licensor may receive information from hardware manufacturers or gaming platform hosts and may automatically collect certain information from your computer or gaming unit. This information may include, but is not limited to, user IDs (such as gamer tags and screen names), game scores, game achievements, game performance, locations visited, buddies, MAC address, internet protocol address, and your usage of various game features. All information collected by Licensor is intended to be anonymous information that does not disclose your identity or constitute personal information, however, if you include personal information (such as your real name) in your user ID, then such personal information will automatically be transmitted to Licensor and used as described herein.

The information collected by Licensor may be posted by Licensor on publicly-accessible web sites, shared with hardware manufacturers, shared with platform hosts, shared with Licensor's marketing partners or used by Licensor for any other lawful purpose. By using this Software you consent to the Licensor's use of related data, including public display of your data such as identification of your user created content or displaying your scores, ranking, achievements and other gameplay data. If you do not want your information shared in this manner, then you should not use the Software.

## III. WARRANTY

**LIMITED WARRANTY:** Licensor warrants to you (if you are the initial and original purchaser of the Software) that the original storage medium holding the Software is free from defects in material and workmanship under normal use and service for 90 days from the date of purchase. Licensor warrants to you that this Software is compatible with a personal computer meeting the minimum system requirements listed in the Software documentation or that it has been certified by the gaming unit producer as compatible with the gaming unit for which it has been published, however, due to variations in hardware, software, internet connections and individual usage, Licensor does not warrant the performance of this Software on your specific computer or gaming unit. Licensor does not warrant against interference with your enjoyment of the Software; that the Software will meet your requirements; that operation of the Software will be uninterrupted or error-free, or that the Software will be compatible with third party software or hardware or that any errors in the Software will be corrected. No oral or written advice provided by Licensor or any authorized representative shall create a warranty. Because some jurisdictions do not allow the exclusion of or limitations on implied warranties or the limitations on the applicable statutory rights of a consumer, some or all of the above exclusions and limitations may not apply to you.

If for any reason you find a defect in the storage medium or Software during the warranty period, Licensor agrees to replace, free of charge, any Software discovered to be defective within the warranty period as long as the Software is currently being manufactured by Licensor. If the Software is no longer available, Licensor retains the right to substitute a similar piece of Software of equal or greater value. This warranty is limited to the storage medium and the Software as originally provided by Licensor and is not applicable to normal wear and tear. This warranty shall not be applicable and shall be void if the defect has arisen through abuse, mistreatment, or neglect. Any implied warranties prescribed by statute are expressly limited to the 90-day period described above.

Except as set forth above, this warranty is in lieu of all other warranties, whether oral or written, express or implied, including any other warranty of merchantability, fitness for a particular purpose or non-infringement, and no other representations or warranties of any kind shall be binding on Licensor.

When returning the Software subject to the limited warranty above, please send the original Software only to the Licensor address specified below and include: your name and return address; a photocopy of your dated sales receipt; and a brief note describing the defect and the system on which you are running the Software.

IN NO EVENT WILL LICENSOR BE LIABLE FOR SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES RESULTING FROM POSSESSION, USE OR MALFUNCTION OF THE SOFTWARE, INCLUDING BUT NOT LIMITED TO, DAMAGES TO PROPERTY, LOSS OF GOODWILL, COMPUTER FAILURE OR MALFUNCTION AND, TO THE EXTENT PERMITTED BY LAW, DAMAGES FOR PERSONAL INJURIES, PROPERTY DAMAGE, LOST PROFITS OR PUNITIVE DAMAGES FROM ANY CAUSES OF ACTION ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE SOFTWARE, WHETHER ARISING IN TORT (INCLUDING NEGLIGENCE), CONTRACT, STRICT LIABILITY OR OTHERWISE, WHETHER OR NOT LICENSOR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. IN NO EVENT SHALL LICENSOR'S LIABILITY FOR ALL DAMAGES (EXCEPT AS REQUIRED BY APPLICABLE LAW) EXCEED THE ACTUAL PRICE PAID BY YOU FOR USE OF THE SOFTWARE.

BECAUSE SOME STATES/COUNTRIES DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS AND/OR THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, THE ABOVE LIMITATIONS AND/OR EXCLUSION OR LIMITATION OF LIABILITY MAY NOT APPLY TO YOU. THIS WARRANTY SHALL NOT BE APPLICABLE SOLELY TO THE EXTENT THAT ANY SPECIFIC PROVISION OF THIS WARRANTY IS PROHIBITED BY ANY FEDERAL, STATE, OR MUNICIPAL LAW, WHICH CANNOT BE PRE-EMPTED. THIS WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS, AND YOU MAY HAVE OTHER RIGHTS THAT VARY FROM JURISDICTION TO JURISDICTION.

**TERMINATION:** This Agreement is effective until terminated by you, by the Licensor, or automatically upon your failure to comply with its terms and conditions. Upon any termination, you must destroy or return the physical copy of Software to the Licensor, as well as permanently destroy all copies of the Software, accompanying documentation, associated materials, and all of its component parts in your possession or control including from any client server or computer on which it has been installed.

**U.S. GOVERNMENT RESTRICTED RIGHTS:** The Software and documentation have been developed entirely at private expense and are provided as "Commercial Computer Software" or "restricted computer software." Use, duplication or disclosure by the U.S. Government or a U.S. Government subcontractor is subject to the restrictions set forth in subparagraph (c)(1)(ii) of the Rights in Technical Data and Computer Software clauses in DFARS 252.227-7013 or as set forth in subparagraph (c)(1) and (2) of the Commercial Computer Software Restricted Rights clauses at FAR 52.227-19, as applicable. The Contractor/Manufacturer is the Licensor at the location listed below.

**EQUITABLE REMEDIES:** You hereby agree that if the terms of this Agreement are not specifically enforced, Licensor will be irreparably damaged, and therefore you agree that Licensor shall be entitled, without bond, other security, proof of damages, to appropriate equitable remedies with respect any of this Agreement, in addition to any other available remedies.

**INDEMNITY:** You agree to indemnify, defend and hold Licensor, its partners, licensors, affiliates, contractors, officers, directors, employees and agents harmless from all damages, losses and expenses arising directly or indirectly from your acts and omissions to act in using the Software pursuant to the terms of the Agreement.

**MISCELLANEOUS:** This Agreement represents the complete agreement concerning this license between the parties and supersedes all prior agreements and representations between them. It may be amended only by a writing executed by both parties. If any provision of this Agreement is held to be unenforceable for any reason, such provision shall be reformed only to the extent necessary to make it enforceable and the remaining provisions of this Agreement shall not be affected.

**GOVERNING LAW.** This Agreement shall be construed (without regard to conflicts or choice of law principles) under the laws of the State of New York, as such law is applied to agreements between New York residents entered into and to be performed within New York, except as governed by federal law. Unless expressly waived by Licensor in writing for the particular instance or contrary to local law, the sole and exclusive jurisdiction and venue for actions related to the subject matter hereof shall be the state and federal courts located in Licensor's principal corporate place of business (New York City, New York, U.S.A.). Both parties consent to the jurisdiction of such courts and agree that process may be served in the manner provided herein for giving of notices or otherwise as allowed by New York state or federal law. The parties agree that the UN Convention on Contracts for the International Sale of Goods (Vienna, 1980) shall not apply to this Agreement or to any dispute or transaction arising out of this Agreement.

IF YOU HAVE ANY QUESTIONS CONCERNING THIS LICENSE, YOU MAY CONTACT IN WRITING TAKE-TWO INTERACTIVE SOFTWARE, INC. 622 BROADWAY, NEW YORK, NY 10012.
