GAME PLAY

The first rocket to the moon is about to be launched from the Atomic Research Centre at Sprodj in Syldavia. On board are TINTIN, Captain Haddock and Professor Calculus...

The army of technicians make their final checks. The rocket is set for take-off. Sirens and loudspeakers blare out the signal to evacuate the launch area. The gantry ramps fall slowly aside. Time 1.29 a.m. The countdown is under way.

5-4-3-2-1. Ignition! In an explosion of flame and smoke, the mighty space ship lifts off the pad, heading for Earth orbit. To start the game press SPACE.

Note - Throughout the game P pauses, any key restarts.

THE JOURNEY THROUGH SPACE

Control the rocket and take TINTIN and friends to the moon. Avoid the meteorites and catch the yellow and red spheres on your way.

- The yellow spheres replenish your energy.
- You must catch 8 red spheres to progress to the next stage.

Controls - Joystick or arrow keys.

Spectrum & C64 -

Q	Up
A	Down
I	Left
O	Right

Your distance from the moon is shown at

the bottom of the display Energy level on the left, score on right.

IN THE ROCKET

Guide TINTIN through the rocket to-

Disarm the bombs,
Put out the fires,
Free his companions,
and catch the dastardly Colonel Boris!
Prisoners, Extinguishers and Defused
bombs are shown to the left of the screen.

Controls - As for Rocket except that in zero gravity (not Spectrum) controls should be operated just before TINTIN collides with something, and should be held down during collision.

To switch between normal and zero gravity press F1 or 1 depending on machine version.

To take a fire extinguisher just touch it. To use it choose a direction and press SPACE or Fire Button.

The bombs set by Colonel Boris are shown at the bottom of the screen, they disappear

as TINTIN defuses them by touching them. An alarm sounds when the bomb is about to explode.

To free a prisoner TINTIN must touch him.

To capture Colonel Boris sneak up from behind and jump on him or use the fire extinguisher.

MOON LANDING

To land you must regulate engine power using the Fire Button or SPACE.

GAME OVER

If you lose press any key to play again.
