JOGOS

DEBULHADOS

*Este é um de nossos presentes especiais para você no segundo aniversário de Ação Games. Uma lista completa de todos os jogos que apresentamos ou debulhamos fase a fase. São 650 jogos, publicados da edição nº 1 (maio de 1991) à edição nº 34 (maio de 1993). Os jogos aparecem na lista com seus nomes originais. Mas colocamos também os outros nomes que a moçada usa, para facilitar a vida de todo mundo. Por exemplo, se você procurar Homem-Aranha, vai encontrar a referência, indicando Veja Spider-Man. Os games em CD de Mega Drive estão na letra C. No pé das páginas você pode ver a capa e o número de cada edição.*

## DOIS ANOS DETONANDO

### JOGOS PRA VOCÊ

No começo da década de 90, o videogame mostrou que veio pra ficar de uma vez na vida dos brasileiros. Mas, apesar disso, os jornais e revistas daqui ainda

não davam a merecida atenção a este enorme público de gamemaniacos. Até que, para a felicidade geral da nação, pintou uma revista chamada *A Semana em Ação*, da Editora Abril, que dava um espaço em suas páginas para os videogames.

Foi a glória! Choveram cartas e

1- Ivan David Silva, 2- Little Richard, 3- João Ailton Oliveira Andrade, 4- Moashiro Sama, 5- Christian Zaharic, 6- Sônia Regina Aversa, 7- Érica Luisa Assan Câmara, 8- Paulo Montoia, 9- Wagner P. Hernandez, 10- Marcos Roberto de Lima Ioiô, 11- Claudio Santos Albuquerque, 12- Regina Giannetti, 13- Roberto Guimarães, 14- André Felipe D'Amato, 15- Marcelo B. Massafeli Chin, 16- Simone Zucas, 17- Iusse José Filho, 18- Sandra Galli Ponsoni, 19- Tadeu Cerqueira Pereira

telefonemas para a redação. Enfim, alguém se lembrou dos gamemaniacos! Assim, em dezembro de 91 e março de 92, foram publicados dois Especiais da revista *A Semana em Ação* falando só de games. Por isso nossa revista chama-se *Ação Games*.

Em maio de 1991, viemos para a Editora Azul, uma empresa do Grupo Abril que

só trabalha com revistas especializadas. Formamos uma equipe de pessoas jovens e que curtem muito os videogames. A equipe foi crescendo, crescendo, e hoje... olha só quanta gente!

Nesses dois anos de vida, 650 jogos já passaram pela redação. Testemunhamos momentos importantes da história do

videogame, como o lançamento do Mega Drive no Brasil, o nascimento do Super NES, os fenômenos Sonic, Street Fighter, a invenção dos jogos em CD...

*Ação Games* também evoluiu. Tomou-se uma revista quinzenal para acompanhar o alucinante ritmo de lançamento de jogos. Hoje é uma das mais sofisticadas revistas do País, feita inteiramente por computadores. Textos, fotos, ilustrações, tudo aqui é 100% eletrônico. Como os videogames.

Temos orgulho de fazer a revista de games mais vendida no Brasil. Estamos presentes até em países como Argentina, Chile e Uruguai, onde nossa revista é traduzida para o espanhol e tem o nome de *Action Games*.

Fizemos tudo isso pensando em você, gamemaniaco e leitor. Continue com a gente e parabéns, pois este aniversário também é seu!
